**Cutting Ties with Darkness**-John D. Barry 2016-02-24 Paul wrote 2 Corinthians with a heavy heart, wrestling to maintain his relationship with the young church that he established. The way that Paul handled this painful situation provides an example for us today. When should we reconcile, and when should we walk away? How do we cut ties with darkness--whether in ourselves or in others? In this volume from the Transformative Word series, edited by Craig Bartholomew, John D. Barry explores how we deal with such scars in light of Jesus' example. Endorsements In beautiful prose, John Barry offers a plethora of practical insights for our lives, relationships and ministries from 2 Corinthians. He shows how the letter as a whole fits together, and his heart for the world shines through as he provides illustrations from a range of cultures as well as what he has witnessed personally. --Craig Keener, F. M. and Ada Thompson Professor of Biblical Studies, Asbury Theological Seminary In his work, Cutting Ties with Darkness, John Barry walks us through Second Corinthians, opens our eyes to the heart of Paul, and connects his message to our world in language and illustrations anyone can understand. This is not like most commentaries. It is both stimulating and enjoyable to read. The clarity with which he communicates Paul's message demonstrates that he has delved deeply into each passage and thought through each one's implications. John Barry is masterful in bridging the cultural gap and making Paul's message contemporary and practical. -- Gary W. Derickson, Professor of Biblical Exposition and Greek Department Chair, Bible and Theology Corban University School of Ministry

**The Light Shines on in the Darkness**-Fr. Robert J. Spitzer, S.J., Ph.D 2017-04-10 Why would an all-loving God allow suffering? Aren't suffering and love opposed to one another? Does suffering have any benefit for this life? Does it have any benefit for eternal life? Is there any objective evidence for God - for a soul that will survive bodily death - for the resurrection of Jesus? If there is testable, objective evidence for a resurrection, what is this resurrection like? Who is God anyway - benevolent and loving or angry and retributive? Father Spitzer gives a comprehensive explanation of contemporary evidence for God, the soul, and the resurrection, and helps us understand how God uses suffering to lead us to the resurrection, and to compassion for others. He also shows how the Holy Spirit guides us through times of suffering toward our salvation - and other's salvation, explaining the signs and interior movements that reveal the Spirit's actions. But even armed with this eternal perspective, serious questions remain. If God has power over nature, why doesn't He just perform a lot more miracles when we pray for them so that we won't have to suffer? Why did God make the natural world imperfect in the first place? Wouldn't it have been better to create us in a world without suffering - without challenge, need, and self-sacrifice? Father Spitzer not only addresses the perplexing questions associated with suffering but he teaches us how to suffer well. He points out some of the most common errors we make in interpreting God's motives for and alleviation of suffering. He explains why suffering - in combination with love - is one of the most powerful motivating agents for personal, cultural, and societal development. Suffering and love are inextricably bound up with one another on the highest levels of human meaning.

Guidance from the Darkness is for anyone who wants to grow through pain rather than be shut down by it. **Out of the Darkness: Coping with and Recovering from the Death of a Child**-Kimberly Amato 2014-12-16 There is no greater loss than that of a child. It does not matter how old the child was or the circumstances of their death, a parent's grief feels unbearable. Every year, in the US alone, 44,226 parents lose a child under the age of 19. Worldwide, it's a staggering 6.3 million newly bereaved parents every year. Those numbers do not include parents who lose adult children, whose pain is no different than those who lose young children. These parents are all thrown into a world they never expected to be in and certainly don't want to be a part of. Yet they have no choice. No frame of reference. No idea how to navigate the storm. They are deeply in pain and often feel very alone and lost in their experience. Just as a lighthouse is a beacon, shedding light and guiding ships through the darkness, so is this book. It is a guide, a companion, a source of help and hope, to assist you and them in the most difficult journey of their life. This book is your lighthouse. It is for the parents who have had to say goodbye to their children, those who love them and support them, and those who work with them in a professional capacity. It is a source of truth, support, experience, explanation, validation, reassurance, and hope that they can and will get through their grief, this most difficult of experiences, without ever forgetting about their child or the love they shared. Whether you are a bereaved parent, family member, or, perhaps a friend, co-worker or professional who works with the bereaved, this book was written for you... a source of information, support, resources, and strategies for coping and healing after the death of a child. Wherever you are in your grief journey, you will find valuable information in these pages. It is a guide to help you find your way out of the darkness and into a place of color and light again, where you will weave your child's memory into the fabric of your life and hold them in your heart forever.

**Heart of Darkness**-Joseph Conrad 2018-10-16 Heart of Darkness is a short novel by Polish novelist Joseph Conrad, written as a frame narrative, about Charles Marlow's life as an ivory transporter down the Congo River in Central Africa. The river is "a mighty big river, that you could see on the map, resembling an immense snake uncoiled, with its head in the sea, its body at rest curving afar over a vast country, and its tail lost in the depths of the land." In the course of his travel in central Africa, Marlow becomes obsessed with Mr. Kurtz. The story is a complex exploration of the attitudes people hold on what constitutes a barbarian versus a civilized society and the attitudes on colonialism and racism that were part and parcel of European imperialism. Originally published as a three-part serial story, in Blackwood's Magazine, the novella Heart of Darkness has been variously published and translated into many languages. In 1998, the Modern Library ranked Heart of Darkness one of the hundred best novels in English of the twentieth century.

All of us will go through dark times that we don't understand: a difficulty with a friend, an unfair situation at work, a financial setback, an unexpected illness, a divorce, or the loss of a loved one. Those types of experiences are part of the human journey. But when we find ourselves in such a place, it's important that we keep a positive perspective. Joel Osteen writes that if we stay in faith and keep a good attitude when we go through challenges, we will not only grow, but we will see how all things work together for our good. Through practical applications and scriptural insight, Blessed in the Darkness focuses on how to draw closer to God and trust Him when life doesn't make sense. If we will go through the dark place in the valley trusting, believing, and knowing that God is still in control, we will come to the table that is already prepared for us, where our cup runs over.
