**Lights, Camera, Diwali!**-Amita Roy Shah 2016-06-12 *Light, Camera, Diwali!* helps children gain a better understanding of Diwali, the Indian festivals of lights. Through this engaging story, children learn how Indian-American families celebrate Diwali in their homes. Dia receives a camera as a Diwali gift and uses it to capture her memories of this special day. She takes photos of her family decorating clay lamps, creating unique rangoli designs, preparing sweets called ladoos, setting off firecrackers and more! This captivating story also helps children learn why Diwali is celebrated. While Dia explores the rituals of Diwali with her camera, children learn about a Prince named Rama who was exiled into a forest for 14 years. After fighting off a demon, he is welcomed back into his city with a "row of lights." Children learn about how Diwali teaches us that light will overcome darkness and good will conquer evil.

**It's Time for Holi!**-Amita Roy Shah 2011-02 *IT'S TIME FOR HOLI* helps all children gain an understanding of the Indian culture by learning more about Holi, the festival of colors. Holi is a

popular Indian festival that takes place at the end of the winter season. The celebration of Holi brings people closer together. During Holi, people welcome spring by throwing colored water or powder on one another. This story begins during the winter season, with a boy who is anxiously waiting for spring and the celebration of Holi to begin. When Holi day finally arrives, he can't wait to celebrate. He decides to use his colored powders-- before his family and friends arrive. As he explores the different colored powders, he starts to relate the colors to what he sees happening in nature during springtime. Through his own exploration, he learns more about the significance of this colorful festival. This story also allows for children to learn about the celebration of Holi from simple, repetitive text using rhyme, alliteration, and engaging dialogue. By reading this story, children are also exposed to age-appropriate concepts such as colors, seasons, and multicultural celebrations. Amita Roy Shah enjoys teaching children about different cultures. She has a range of experiences in teaching and curriculum development. Currently, she works as an educational consultant for several educational publishing companies. Additionally, she is in the process of completing her Doctorate in Education (Ed.D.) in Curriculum and Teaching at Teachers College, Columbia University. Her research focuses on the experiences of South Asians living in the United States. Amita has previously worked as a third grade teacher for Los Angeles Unified School District. She has also worked as a curriculum designer to develop educational products and materials for children in grades Pre-K - 5. When Amita is not working, she enjoys spending time with her family. She especially loves reading books to her son

**Maya Was Grumpy**-Courtney Pippin-Mathur 2015-03-15 An artful mixture of fantasy and reality, humor and heart, *Maya Was Grumpy* celebrates the power of imagination and humor to improve moods. Maya wakes up on the wrong side of the bed, tangled in her blanket, and in a crispy, cranky, grumpy, grouchy mood. She doesn't want to color or wear her favorite shorts or go outside to play. What's worse, she's determined to share her grumpiness with everyone as she glumps, clumps, and thumps around the house. But when Maya growls at her grandmother, she graciously takes Maya's mood in stride, and even has a solution: Gramma suggests a series of unusual activities that Maya will probably not want to do since she's feeling grumpy—and then dismisses her own silly suggestions before Maya can reject them. Children will find it hard to keep from smiling as they watch Maya's grouchiness dissolve into glee at Gramma's giggle-inducing ideas, while adults will find Gramma's clever tactic a useful strategy to add to their repertoire when kids are grumpy.
