**Bond Cars**-Jason Barlow 2020-10-29 Live and let drive. This bespoke, collector's edition is presented in a slip case, and features an envelope of exclusive posters and documents from the EON Bond archives. Bond Cars: The Definitive History is a lavish celebration of the cars that also became the stars alongside the world's most famous fictional spy. Featuring exclusive and priceless assets such as the original call sheets, technical drawings and story-boards, accompanied by previously unpublished photography and exclusive interviews, we put you behind the wheel of every car driven by 007 on film. With insights from the producers and keepers of the Bond flame, Michael G. Wilson and Barbara Broccoli as well as Daniel Craig and special effects and action vehicles supervisor and veteran of 15 Bond films, Chris Corbould, this is the story of cinema's greatest icon, told through the prism of the legendary cars he has driven.

**Car Badges**-Giles Chapman 2010-05 The 'I-Spy' books are the perfect way to keep children entertained whilst learning about the world around them.

**I Could Tell You But Then You Would Have to Be Destroyed by Me**-Trevor Paglen 2010 The critically acclaimed study of the dark side of the US military returns in paperback, featuring 70 military shoulder patches to reveal a secret world of military imagery and jargon, where classified projects are known by peculiar names ('Goat Suckers', 'None of Your Fucking Business', 'Tastes Like Chicken') and illustrated with occult symbols and ridiculous cartoons. Although the actual projects represented here (such as the notorious Area 51) are classified, these patches - which are worn by military units working on classified missions - hint at a world which is kept hidden.

**The Zodiac Killer Cover-Up**-Lyndon E. Lafferty 2012-02-01 The true identity of the psychotic ZODIAC killer has been known by the Mandamus Seven (group of retired law enforcement officers, federal agents, a minister, and a District Attorney) since March 15, 1971. This true story is now being told for the very first time. Official corruption and political intervention forced the investigation into a top secret, covert status, giving the insane ZODIAC killer immunity and a license to kill. His motive -- adultery! Mind and body ravaged by years of severe alcoholism, his blood-lusting revenge turned him into the most shocking and vicious killer in our 20th century. Through his tauntings of the police, his codes, ciphers, and letters, he was on a mission to redeem his shattered ego, to prove that he was better, smarter, and more clever than all the judges and police put together. With lordly arrogance and jealousy and with the assistance of the police, he continued his killing spree until he claimed a total of 37 victims. Lips sealed by secret oaths and federal obstructions of justice, the investigation was further impeded by personal associations with the suspect and his tenacious, intrepid wife, placing family members in imminent danger. The evidence is overwhelming and given the totality of the facts, it is the author's opinion that there is no jury in the world that would not find the suspect guilty of being the criminal genius, ZODIAC.

**Mrs. Smith's Spy School for Girls**-Beth McMullen 2017-07-04 A girl discovers her boarding school is actually an elite spy-training program, and she must learn the skills of the trade in order to find her mother in this action-packed middle grade debut. After a botched escape plan from her boarding school, Abigail is stunned to discover the school is actually a cover for an elite spy ring called The Center, along with being training grounds for future spies. Even more shocking? Abigail's mother is a top agent for The Center and she has gone MIA, with valuable information that many people would like to have—at any cost. Along with a former nemesis and charming boy from her grade, Abigail goes through a crash course in Spy Training 101, often with hilarious—and sometimes painful—results. But Abigail realizes she might be a better spy-in-training than she thought—and the answers to her mother's whereabouts are a lot closer than she thinks...

**The Spy's Bedside Book**-Graham Greene 2013-05-31 On its first appearance in 1957, Hugh and Graham Greene's The Spy's Bedside Book provoked a storm of interest, and, perhaps unsurprisingly, 100 copies were bought by East German Intelligence. This classic anthology, with a new introduction by the former head of MI5, Stella Rimington, includes stories by some of the great writers on spying and many practitioners, including Ian Fleming and John Buchan, Sir Robert Baden-Powell and Belle Boyd, Walter Schellenberg and Major André, Sir Paul Dukes and Vladimir Petrov, and, from the golden age of mystery and suspense, William Le Queux and E. Phillips Oppenheim. There are also some unexpected figures: William Blake, D.H. Lawrence and Thomas Mann, all suspected of spying in three great wars. How can you hide messages in a boiled egg? Why should you always put pepper in your vodka when in Russia? Answers to these questions and much more can be found in this thrilling collection, which will enthral readers once again with its tales of espionage from a bygone era.

**Life Undercover**-Amaryllis Fox 2019-10-15 INSTANT NEW YORK TIMES BESTSELLER "Fast and thrilling . . . Life Undercover reads as if a John le Carré character landed in Eat Pray Love." —The New York Times Amaryllis Fox's riveting memoir tells the story of her ten years in the most elite clandestine ops unit of the CIA, hunting the world's most dangerous terrorists in sixteen countries while marrying and giving birth to a daughter Amaryllis Fox was in her last year as an undergraduate at Oxford studying theology and international law when her writing mentor Daniel Pearl was captured and beheaded. Galvanized by this brutality, Fox applied to a master's program in conflict and terrorism at Georgetown's School of Foreign Service, where she created an algorithm that predicted, with uncanny certainty, the likelihood of a terrorist cell arising in any village around the world. At twenty-one, she was recruited by the CIA. Her first assignment was reading and analyzing hundreds of classified cables a day from foreign governments and synthesizing them into daily briefs for the president. Her next assignment was at the Iraq desk in the Counterterrorism center. At twenty-two, she was fast-tracked into advanced operations training, sent from Langley to "the Farm," where she lived for six months in a simulated world learning how to use a Glock, how to get out of flexicuffs while locked in the trunk of a car, how to withstand torture, and the best ways to commit suicide in case of captivity. At the end of this training she was deployed as a spy under non-official cover—the most difficult and coveted job in the field as an art dealer specializing in tribal and indigenous art and sent to infiltrate terrorist networks in remote areas of the Middle East and Asia. Life Undercover is exhilarating, intimate, fiercely intelligent—an impossible to put down record of an extraordinary life, and of Amaryllis Fox's astonishing courage and passion.

**Car Marques**-Simon Heptinstall 2018 Car Marques is a unique visual compendium of over 90 automobile logos and emblems. The book is arranged alphabetically and provides a detailed profile of each logo. Annotated diagrams highlight specific design details and reveal hidden symbolism. Includes color swatches with CMYK values and hexadecimal codes. Visual timelines show the evolution of selected logos from their origins to today. An invaluable resource and a perfect gift for car enthusiasts collectors designers and readers interested in the automotive industry.

**Fins**-William Knoedelseder 2018-09-18 The New York Times bestselling author of Bitter Brew chronicles the birth and rise to greatness of the American auto industry through the remarkable life of Harley Earl, an eccentric six-foot-five, stuttering visionary who dropped out of college and went on to invent the profession of automobile styling, thereby revolutionized the way cars were made, marketed, and even imagined. Harleys Earl's story qualifies as a bona fide American family saga. It began in the Michigan pine forest in the years after the Civil War, traveled across the Great Plains on the wooden wheels of a covered wagon, and eventually settled in a dirt road village named Hollywood, California, where young Harley took the skills he learned working in his father's carriage shop and applied them to designing sleek, racy-looking automobile bodies for the fast crowd in the burgeoning silent movie business. As the 1920s roared with the sound of mass manufacturing, Harley returned to Michigan, where, at GM's invitation, he introduced art into the rigid mechanics of auto-making. Over the next thirty years, he functioned as a kind of combination Steve Jobs and Tom Ford of his time, redefining the form and function of the country's premier product. His impact was profound. When he retired as GM's VP of Styling in 1958, Detroit reigned as the manufacturing capitol of the world and General Motors ranked as the most successful company in the history of business. Knoedelseder tells the story in ways both large and small, weaving the history of the company with the history of Detroit and the Earl family as Fins examines the effect of the automobile on America's economy, culture, and national psyche.

**Power Play**-Beth McMullen 2019-08-06 Abby and the rest of her friends go international as they embark on their first “official” Center mission in this second book in the Mrs. Smith’s Spy School for Girls series. After discovering the truth about her spy school/boarding school—and her super-spy mom—Abby Hunter is ready for her next adventure, but what’s about to happen is something she never would have guessed... Everyone at The Smith School is obsessed with Monster Mayhem, the latest reality video game craze. But when Drexel Caine, the mastermind behind the game, is suddenly kidnapped, it becomes clear that the kidnapers are playing for more than just special badges. After Drexel’s son—who is Abby’s friend, Toby—receives a cryptic message, Abby and her friends discover the kidnapping is part of a bigger scheme that could take down The Center for good. With the help of Abby’s frenemy (and reluctant mentor), Veronica Brooks, the group tackles their first official Center Mission. They tangle with the world’s most notorious hacker, get in trouble for the possible theft of the Mona Lisa, and prepare for the ultimate showdown in London. But not before they have to contend with one more hurdle: the agonizing Smith School Spring Formal. Along the way, they discover they are much stronger as a team than they can ever be alone. And with a little luck, they might just save the world.

**Armed and Devastating**-Julie Miller 2008-07-01 When did plain, mousy personal assistant Brooke Hanford sprout miles of long, smooth, creamy legs? And more important, why did Detective Atticus Kincaid suddenly notice? Their relationship had always been the “good friend” variety. But now Brooke was in his thoughts and under his skin. The fact that she was receiving unwanted male attention in the form of some creep’s anonymous psychological terror brought out all of Atticus’s protective instincts. Now Brooke found herself virtually surrounded by the badge and broad shoulders of Atticus. Her awkward affection for him erupted into a raw need that she’d never known. But would the fuel of newfound passion ignite a killer’s revenge...?

**Draplin Design Co.**-Aaron James Draplin 2016-05-17 Esquire. Ford Motors. Burton Snowboards. The Obama Administration. While all of these brands are vastly different, they share at least one thing in common: a teeny, little bit of Aaron James Draplin. Draplin is one of the new school of influential graphic designers who combine the power of design, social media, entrepreneurship, and DIY aesthetic to create a successful business and way of life. Pretty Much Everything is a mid-career survey of work, case studies, inspiration, road stories, lists, maps, how-tos, and advice. It includes examples of his work—posters, record covers, logos—and presents the process behind his design with projects like Field Notes and the “Things We Love” State Posters. Draplin also offers valuable advice and hilarious commentary that illustrates how much more goes into design than just what appears on the page. With Draplin’s humor and pointed observations on the contemporary design scene, Draplin Design Co. is the complete package for the new generation of designers.

**Lord Help Me**-Emme Muñiz 2020-09-29 The everyday power of prayer comes to life in this inspirational picture book written by twelve-year-old budding singer Emme Muñiz. We all have moments every day where we can use a little help. Some are small, like waking up for school or getting along with a sibling. Others are big, like helping to save the planet and all its creatures—especially sloths! But asking God for help always brings us the strength to get through anything. Emme Muñiz shares her own daily prayers to offer families a way to embrace the peace and power of everyday faith.

**In the Shadow of the Sun**-Anne Sibley O'Brien 2017-06-27 North Korea is known as the most repressive country on Earth, with a dictatorial leader, a starving population, and harsh punishment for rebellion. Not the best place for a family vacation. Yet that’s exactly where Mia Andrews finds herself, on a tour with her aid-worker father and fractious older brother, Simon. Mia was adopted from South Korea as a baby, and the trip raises tough questions about where she really belongs. Then her dad is arrested for spying, just as forbidden photographs of North Korean slave-labor camps fall into Mia’s hands. The only way to save Dad: get the pictures out of the country. Thus Mia and Simon set off on a harrowing journey to the border, without food, money, or shelter, in a land where anyone who sees them might turn them in, and getting caught could mean prison -- or worse. An exciting adventure that offers a rare glimpse into a compelling, complicated nation, In the Shadow of the Sun is an unforgettable novel of courage and survival.

**Two Badges**-Mona Ruiz 1997-01-01 The author describes how she went from a gang member, married to an abusive husband, and on welfare to becoming a member of the Santa Ana police force.

**The FBI Way**-Frank Figliuzzi 2021-01-12 "A must read for serious leaders at every level." —General Barry R. McCaffrey (Ret.) The FBI’s former head of counterintelligence reveals the Bureau’s field-tested playbook for unlocking individual and organizational excellence, illustrated through dramatic stories from his own storied career Frank Figliuzzi was the “Keeper of the Code,” appointed the FBI’s Chief Inspector by then-Director Robert Mueller. Charged with overseeing sensitive internal inquiries, shooting reviews, and performance audits, he ensured each employee met the Bureau’s exacting standards of performance, integrity, and conduct. Now, drawing on his distinguished career, Figliuzzi reveals how the Bureau achieves its extraordinary standard of excellence—from the training of new recruits in “The FBI Way” to the Bureau’s rigorous maintenance of its standards up and down the organization. Unafraid to identify FBI execs who erred, he cites them as the exceptions that prove the rule. All good codes of conduct have one common trait: they reflect the core values of an organization. Individuals, companies, schools, teams, or any group seeking to codify their rules to live by must first establish core values. Figliuzzi has condensed the Bureau’s process of preserving and protecting its core values into what he calls “The Seven C’s”. If you can adapt the concepts of Code, Conservancy, Clarity, Consequences, Compassion, Credibility, and Consistency, you can instill and preserve your values against all threats, internal and external. This is how the FBI does it. Figliuzzi’s role in the FBI gave him a unique opportunity to study patterns of conduct among high-achieving, ethical individuals and draw conclusions about why, when and how good people sometimes do bad things. Part pulse-pounding memoir, part practical playbook for excellence, The FBI Way shows readers how to apply the lessons he’s learned to their own lives: in business, management, and personal development.
